

Cafe Vienna

Jenny and I don't often get a chance to chat and go over things. She's so very busy. That's what I get for having such a bright and creative daughter! But, last Tuesday, she invited me out for coffee and we had such a wonderful time. We talked about old times, good friends -- and the coffee was great too. Cafe Vienna ... with that old-fashioned Viennese taste and delicious aroma. Just perfect for catching up and looking back. CAFE VIENNA ... good feelings ... that's what life is all about.
