If you're like most serious pilots, you're looking for the next step up. Whether it's a more advanced license, a new certification, or a rating upgrade, FlightSafety's Lakeland Flight Academy can help you rise to the occasion. The Lakeland Academy is dedicated to training individual pilots of all skill levels for both general and commercial aviation. Located at the Lakeland Airport, the center offers a low-traffic flying environment and a high level of learning. The mild climate of Lakeland, Florida, is ideally suited to year-round flying, and the Academy's proximity to both Tampa and Orlando assure a vast array of recreational possibilities.
