

Delia's Hair Care Shampoo (female)

Has your hair lost its lustre? Missing it's bounce? Need some Va-va-va-voom?

Let me tell you about this new shampoo I've been using called Delia's Hair Care.

It's not like your ordinary, run of the mill, "I share this with my ~~husband~~^{boyfriend}" shampoo

- no, this one goes beyond the call of duty to tame frizzies, banish split ends and most importantly, it gives you the confidence you need (and a little bit of va-va-va-voooooom!).

Why use your old shampoo when you can experience the power and endurance of shampoo by Delia's Hair Care?
